## Reach UP

### ReConnect

As we look back over this month and celebrate our commitment to Sunday School, outreach, and the victories we've seen through Christ; let us Remember to point back to Christ, press forward in our relationships with each other and Christ, and push into the darkness with the light of Christ. It's been a great month of emphasis but it doesn't stop in September, it must continue as the Gospel continues! Praying that we continually minister accordingly.

## Missionary Moments

Week of September 25, 2016

### Morning: Beaten for Believing

[Central Asia] BOB and JOY BENTON\* ask that you pray for Rose,\* a believer who is undergoing persecution from her family because of her decision to follow Christ. Rose and her daughter Angel,\* who was the Benton's child care worker, are the only Christians in the family. When Rose's family found out that she intended to be baptized, they beat her, destroyed her Bibles and kept her from leaving the house unaccompanied. The Bentons can only have limited contact with her now, but they were able to give her a Bible on a computer flash drive. Your giving through the Cooperative Program makes a difference to the Bentons and to people like Rose.

### Evening: Debunking a False Gospel

[Utah] BOBBY and LINDSAY WOOD are church planting missionaries serving near Salt Lake City. Their new congregation of young families and college students meets in a rented performance arts theater near downtown Ogden. Nearly 98 percent of the people in Utah are lost, believing either a false gospel or nothing at all. Your support of the Woods, and other missionaries in and around the Salt Lake City area, through the Cooperative Program is changing that. Pray that the Woods will form relationships within the community through their many outreaches and that many lives will be changed by professing faith in Jesus.
