[UPDATE FROM THE MCCUAIG FAMILY] I want to thank you for the outpouring of love and support during this time as our family has ventured into the uncertain waters of a COVID quarantine. Shannon's test results have come back negative, and we praise God for that. However, she is still experiencing a persistent cough with an unusual shortness of breath. With that in mind, Shannon's primary care provider continues to direct us to follow the quarantine protocol and for the kids and I to get tested for COVID-19. While this is not completely the results we wanted, we fully understand these next steps and we will follow them out of an abundance of caution. We thank you for your continued patience and prayers during this time.

Your pastor,

Kelly McCuaig
