

Belize Police Outreach

June 2015

Marlene, Randy, Chief Thompson and Nancy Marin

Dear Friend,

God opened the door for us to minister to the police in a remarkable way. A person I happened to meet at my church told me about a contact he had in Belize, and when I contacted her she had just met with the police superintendent and was looking for a way to minister to the police.

Marlene and I travelled to Belize and met with Jaime and Nancy Marin who had set up everything for our outreach. Another staff member, Steve Padin, was supposed to join us but had problems with his passport and could not travel.

However, God knew that our group would be small and so I was able to do the training by myself. We trained 20 police officers and we saw 15 of them pray to receive Christ with us. They were deeply moved by our ministry to them and said they had never had this kind of outreach to the police in their country before.

Superintendent Thompson was in charge of the police in San Ignacio where we did the training. He will set up another outreach for us later this year in another part of Belize. He is a strong Christian and was thrilled that we were reaching out to police in his country. I did several interviews with the news media at the end of the training.

Marlene and I were blessed to be able to minister to a number of people besides the police while we were in the country. We led 4 of these people to the Lord and rejoice always at the opportunity the Lord gives us to present the gospel. It is a great joy to serve Jesus and follow Him.

Thank you for your prayers and support of this ministry. God is faithful and we rejoice at the many opportunities He gives us to be fishers of men and women.

God bless you.

Prayer Request

We plan to be in Mexico City from July 11 to 18. We will probably be training thousands of police officers. Mexico City has 84,000 police officers and I have asked the Lord to be able to share the gospel with all of them.

Ask the Lord to raise up the team members to go on these trips with us and to provide the finances we need.

Pray for our outreaches to the police in the USA. They are beginning to grow and we are reaching more officers every month here in Colorado.

We have opportunities to minister to police officers in Guatemala, Colombia, Belize, Mexico, and El Salvador the rest of this year. Pray that God will prepare the way for these trips.
