Administering of Medication Release

It is understood that All About Kids Preschool is not legally obligated to administer medication to my child. If I request medication to be given to my child _____

Child's Name

I agree to abide by the guidelines set forth in the parent handbook including compliance with California Education code 49423 whereby all medication to be administered must have written statement from the physician and parent. I agree to hold All About Kid Preschool and its employees free from any and all responsibility for the results of such medication or the manner in which it is administered and to indemnify each of them against loss by reason of civil judgment arising out of these arrangements which may be rendered against them, save and except only those claims due to willful injury to my child or violation of law by All About Kids Preschool or its employees.
