

## South Dakota Sheep Growers Association Application for Wool Outreach Funds

The American Sheep Industry Association secured limited non-industry funding, known as the Wool Trust Fund, for use in wool production, information, research and promotion. Each year, SDSGA requests funding from our parent organization, ASI, for support of the wool promotional activities in the state. The purpose of this application is aid SDSGA in determining priorities for the use of Wool Outreach funds. Deadline for application is **November 27<sup>th</sup>, 2020**.

Activities that can be conducted under the Wool Outreach Program include, but are not limited to:

- Procuring a wool speaker/specialist for a presentation at an upcoming state sheep association meeting (costs could include speaker's fee, travel and lodging costs)
- Funding for your state Make It With Wool program
- Conducting a wool festival or workshop
- Support for a wool value-added program, i.e. making wool blankets or other wool-specialty products
- Wool education, i.e. wool handling, classing and shearing schools
- Writing/printing/distributing wool education materials, for consumers, industry members or both
- Wool equipment, such as a baler or skirting table
- Other: Any wool-related activity not suggested above
