RE: Letter of Reference

To Whom It May Concern:

Over the last few years MeritCorp has had the opportunity to work with Andy Clementz and Bob Browning on multiple projects that encompass various types of work. Our projects with them include Resurrection Evangelical Lutheran Church, The Plaza on New York, Main Street Village West, and the Kendall County New Storage Facility. Our services on these projects have included civil engineering, land surveying, storm water design, and project technical support.

On each project, Andy and Bob have conducted themselves in a professional manner and proven themselves to be responsive, detail oriented, and efficient. On each project they have exhibited exceptional communication and construction management skills. Andy and Bob have each proven repeatedly that they can work thru project issues in a thorough and competent manner limiting cost issues and delays while leading the project to a successful and timely completion.

Overall our experiences with both Andy Clementz and Bob Browning have been positive and beneficial. I do not hesitate to offer a recommendation of their services and would be happy to discuss our experience with either Andy or Bob in further detail.

Please feel free to contact me at (630) 554-6655 with any questions.

Sincerely,
MeritCorp Group, LLC

Todd Roberts
President
