

View Zone Violations

From Reporter map screen:

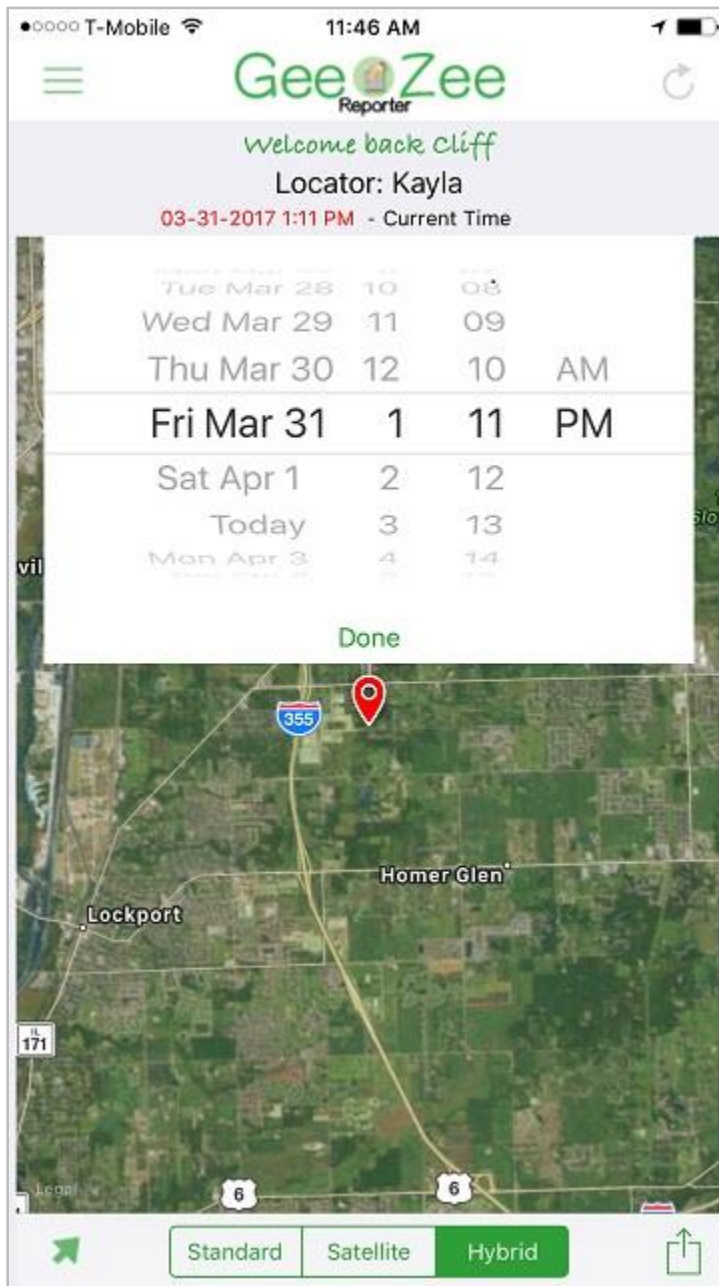

-Click "Locator:" entry (child) at top of screen and select entry, i.e., child, that will be viewed

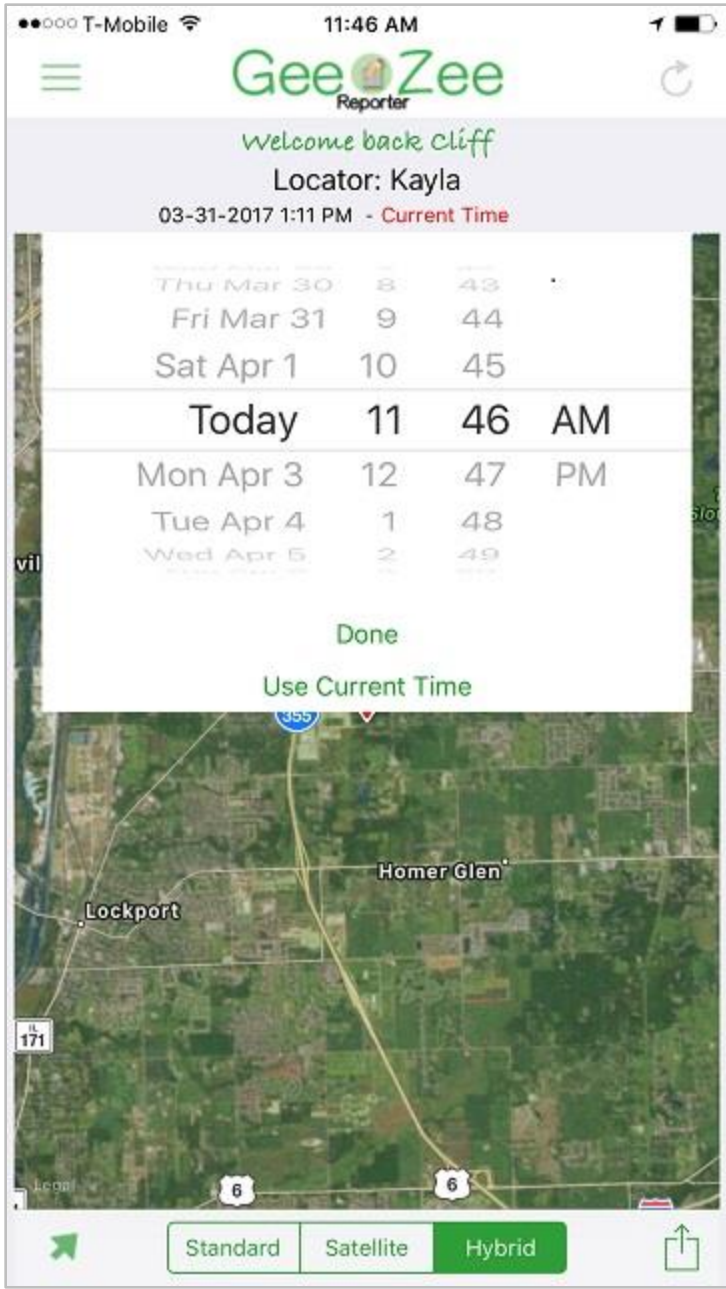

Set date range to display for Zone Violations and Checkin Notifications list:

-Click the left date under "Locator: Alias Name" to select the "From" date/time stamp to select beginning of Zone Violations list and click "Done" when finished

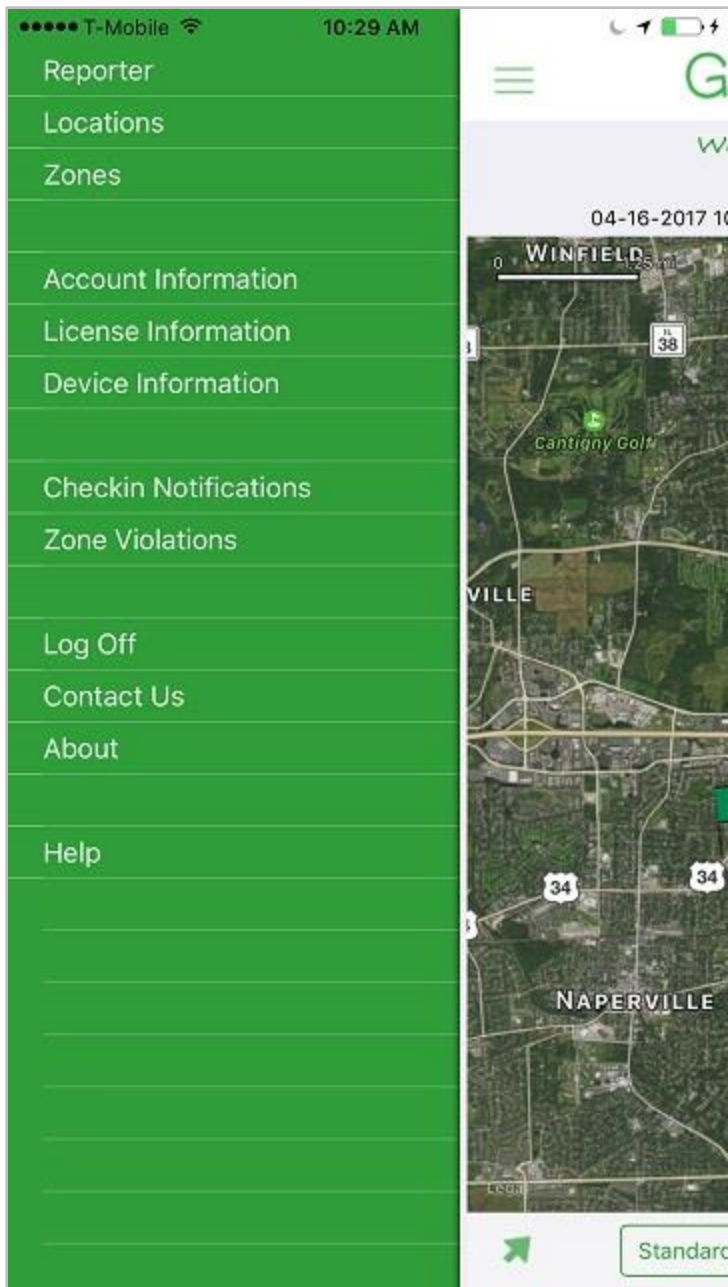

Note: The example below shows selecting two days before current day to display the last three days of violations.

-Click the right date under “Locator: Alias Name” to select the “To” date/time stamp to select end of Zone Violations list and click “Done” or “Use Current Time” when finished

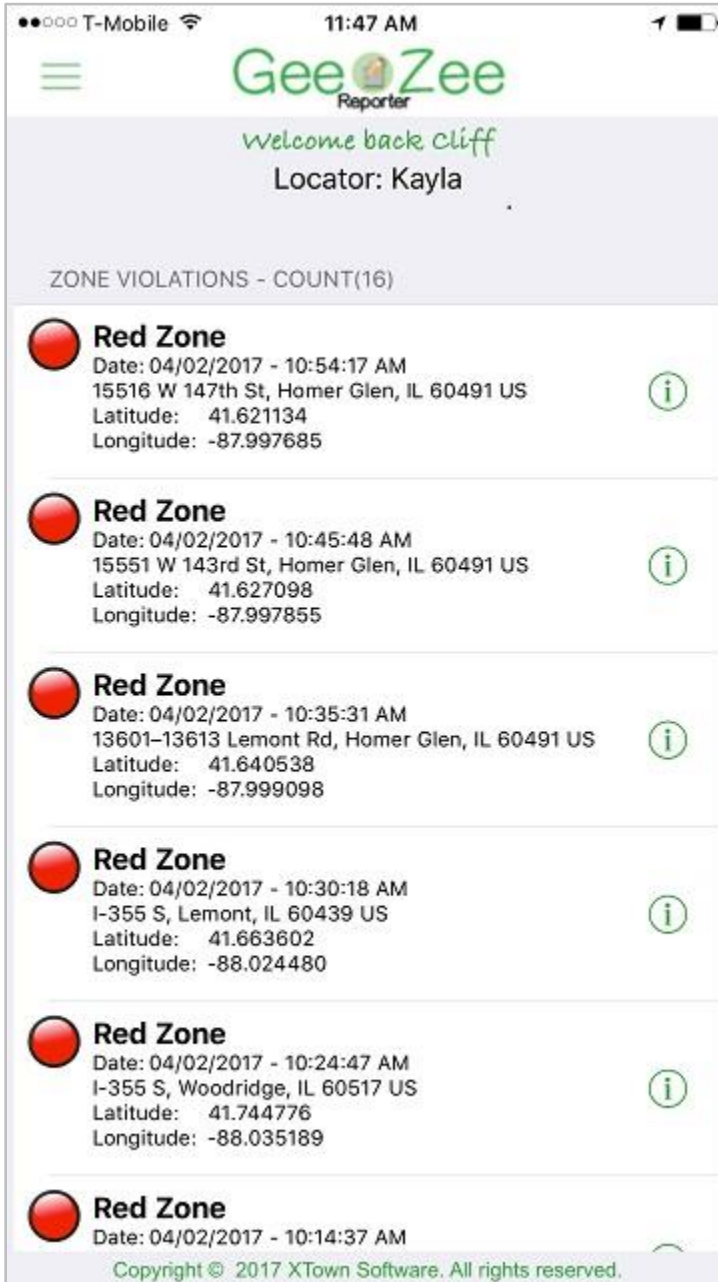

-Click 3 bar menu screen in top left hand corner to reveal side bar menu

-Click "Zone Violations" menu

You will see a list of date/time stamped yellow and red zone violation entries with address information. Most recent entries are first.

Note: Yellow means locator phone location violation occurred within the yellow zone range and red means violation occurred within the red zone range which is anything past the yellow zone range.
