

the art of socks

WHY OZONE?

Could changing your socks change your life? Well, if it's a pair of Ozone socks then anything is possible. The 'art of socks' experience is unlike any other and we'll tell you why....

INNOVATION in design. Every Ozone sock is a unique and original design produced in a complete 360 degree concept. Each design is meticulously conceptualized and perfected to create a sock that is truly a work of art!

QUALITY above all else. Ozone socks are KNIT- never printed! This makes for an incredibly plush and soft sock with a life span that will last for years. These are designs that won't fade away. Even with many wears and washes the reinforced toes, heels and soles stay dependently durable.

LUXURY that is obtainable. Ozone crafts socks with only the finest of materials: Fair trade cotton, sparkling lurex, firmly knit wool, luxurious silk, and even 100% cashmere yarns from Italy.

DIVERSITY with every sock. Ozone's collection of designs is vast and inclusive with socks for every individual and occasion. Styles in crew, knee high, over the knee, no shows, ankles, and even plus size! There truly is an Ozone sock for everybody.

....Don't just take our word for it. Give Ozone a try- you won't regret it. One wear and you'll believe in 'the art of socks' too!
