

## COHS Flowers of the Month

Please consider sponsoring the Coldspring-Oakhurst High School Floral Design students for the 2022-23 school year by joining our Flowers of the Month Program.

For the cost of \$80 per semester, or \$160 for the year, you will give students a hands-on learning experience in floral design and YOU will get to keep the arrangement or decide who receives it each month!

Delivery will be available to all COCISD campuses, as well as businesses within the Coldspring city limits. Arrangements can also be made available for pick up at COHS or sent home with your child.

Arrangements will be designed by students in the program and will vary each month depending on the holiday or “theme” of the month. Arrangements may consist of live or artificial flowers, or other materials we may be learning about in class at the time.
