**A Note From Rick:** There is nothing really new to report on markets at TLA this week. The only market that stood out to me was the bull calf market. We had a big run of calves and there is a wide variation in prices. Big, good calves sold very well, but smaller, lesser calves sold very poorly. This price variation seems to be in all markets at this time and is bigger than normal. This is a direct reflection of the instability that we are dealing with in all of agriculture. Harvest time is upon us and the nice weather has been a blessing. The Friesian Open House on Saturday was a great day. We'd like to thank everyone for bringing their horses and for all that attended. It definitely added a lot of anticipation for the Fall Friesian Classic. October is here and it is going to be an exciting month at TLA! Hope you get a chance to stop by and see what all the excitement is about. See you at TLA!
