

General Assembly Booster Club Meeting Summary

Alonso High School Booster Club Board Meeting

Date: October 9, 2017 **TIME:** 6:00 PM **LOCATION:** Media Center

Attendees:	Tonya Sanchez	Anmarie Daley	Sheva Jones
	Mindy Murray	Coralee Traficante	Karla Valentine-Roffler
	Mike Williams	Jennifer Johnson	Ronald Drew Shamblen
	Sabrina Hodges	Kim Coskey	Dima Ayoub
	Kathleen Bell	Kim Raffaele	Evanitta Omensetter

6:02 PM Tonya Sanchez called the General Assembly meeting to Order.

The September 13th general assembly and board meeting were cancelled due to hurricane Irma.

Kim Raffaele made a motion to approve the May minutes. Mike Williams seconded the motion. Motion passed, the July minutes were approved.

Administration Report

Ms. Omensetter reported that the winter sports schedules are complete, many games were switched. Alonso is still looking for a tennis coach for the boys and girls tennis teams. Mindy Murray will put the information on the Alonso Booster Club website. The tennis season is from mid-February through mid-March. An applicant who is a certified teacher may just apply on the Hillsborough county website; applicants that are not a certified teacher must apply to be a temporary coach through the DOE website.

The homecoming football game is scheduled for October 20th. Senior night for the football, band and cheer teams will be November 3rd at 6:30 before the football game. Flowers will be ordered by each team. Alonso will retire Anthony Chickillo's, Alonso alumni and member of the Pittsburgh Steelers, number at the game on November 3rd. Bahama Bucks will be at both games.

Senior night for the swim team will be October 11th. The volleyball team will have senior night on November 12th.

President's Report

Tonya announced that there are still board member positions open: merchandise, concessions, nominating. Board members please make sure you have paid membership dues for 2017-18 school year, all board members MUST join the booster club. There are a lot of parents of seniors on the board, please recruit new members for next year. The new online membership procedure has been better than expected. Tonya suggested that anyone who has a season pass booster club membership should take a picture of the membership card and use the GoFan app in case it gets lost. Ms. Omensetter is working on getting a replacement card for the person who lost their season pass card.

Every year, all volunteers must submit an online application in order to be approved to volunteer on the SDHC website or on the HCPS volunteer app.

Download the Kabinger app and use it when shopping to raise funds for the booster club. The Alonso sports Wall of Fame is a lasting legacy and a great gift at \$150. The booster club needs 10 orders to schedule installation.

The Alonso PTA is participating in a fundraiser competition against other schools from 8/1/17 – 4/30/18 at the Citrus Park Westfield mall; every \$ spent equals points for our school. Remember to submit your receipts at the mall customer service counter or at the school front office.
