

Fifteenth Sunday after Trinity September 8, 2024

Communion- St. Paul reminds us to examine ourselves before taking the Lord's Supper. Communicants are required to be members of a Lutheran Church-Missouri Synod Congregation. We do this out of pastoral concern and in Christian love. If you have any questions, please see Pastor before worship. Thank you.

We offer gluten-free wafers during communion. If you are gluten-free, please indicate to Pastor before service or at reception.

Please complete the attendance card and give it to an usher on your way out of church. Thank you.

12th Avenue Road Closing!

The City of Hampton will have a water main project beginning soon and 12th Avenue will be closed. We don't have a specific date yet, so we will keep you posted via Facebook and/or the bulletin.

The back entrance off of Federal St. North will need to be used to come and go from the church parking lot.

During the week, Hampton Community Christian Day Care will be using this entrance for staff, as well as for their parents to drop/pick up children.

Please be safe and aware!

Building Healthy Families

A research project conducted with college age students in the Midwest found that most of them reported having an important relationship with grandparents or significant elders who influenced their values, goals, and life choices and gave them a sense of self, roots, and tradition. **Grandparents and older members of our church family, do you know how important you are?** Make sure the young adults in your family and congregation who have gone off to college or are returning to high school this month continue to hear from you. Now, more than ever, they need your love and support – even if they're not asking for it!
