1. Please describe your experience serving on a City Commission and/or the City Council or with another community organization. *I served in the Housing Committee for Dublin. I tried to learn the intricacies of the need for approving more housing. As an environmentalist, I served in Dublin Green Initiative*
2. What compelled you to run for public office? To serve the residents of Dublin and be their voice.
3. Do you want the Bay East Association of REALTORS® to endorse and support your campaign and if you do, why? As a long time member of Bay East and a Realtor Broker, if the association can support my platform and vision for Dublin, we can work hand in hand to protect property rights and our client's investment.
