

December 2017

Dear Friends,

Marlene and I were in Minnesota in October visiting family. We met with Ann & Doug Jensen for lunch at Mall of America. Doug is a retired police officer who has helped us on mission trips to other countries. We told them goodbye and got on a shuttle to our hotel. There was a Miami based flight crew on the shuttle and I begin witnessing to one of the flight attendants. She professed to be a believer and was excited to talk about the Lord and how she met Him.

I noticed that everyone on the shuttle was listening to us as well as another flight attendant who was sitting next to me. I asked her if she had met Jesus and she said no but wanted to. I shared the gospel with her and asked her if she would like to pray to receive Christ as her Savior. She was weeping as I spoke to her and she prayed with me. I noticed that now it was really quiet on the shuttle as everyone was listening. After we prayed she told me she needed to find a good church. The Christian flight attendant said you can go with me to church this Sunday in Miami.

I was again amazed at how God is seeking out people to bring into His kingdom. During this Christmas season let us share God's love and gift of salvation with those around us.

God has continued to bless our ministry in every way. We ministered to over 350 police officers here in Colorado this year. We have had over 30 outreaches to police here in Colorado. We also travelled to El Salvador this year and ministered to hundreds of police officers and saw over a hundred pray to receive Christ with us.

God has blessed our family in so many ways. We are grateful to him for giving us wonderful children who love the Lord. We are also blessed to have 15 grandchildren. Marlene and I are in the Middle East and have had the blessing of being with our daughter Rachel, our son in law Peter and granddaughter Addy. Rachel gave birth to our 16th grandchild and Hudson was born on December 24th. The gift of life is an amazing blessing from God.

I was with Pointman Leadership Institute in Pennsylvania in November. I was trained by them to be an instructor of their seminar. I am looking forward to partnering with this great organization in the months and years to come both in the USA as well as other countries.

As we look forward to a new year I pray that God will bless you and your family in a wonderful way as you walk with God. There is no greater joy on this earth than to know Jesus Christ and serve Him as we love and serve others. I anticipate many opportunities to proclaim the gospel both in the USA and other countries in 2018.
