

# ABEO Insurance Agency, LLC

## About Us

ABEO is a private client practice specializing in Employer Health Benefits. The agency was founded with mission to **help employers get benefits right**, this concept is more true in the benefits industry today than it has ever been in the past. We work with closely held business, helping them understand health benefits, compliance and plan options in the market place. We believe **knowledge has advantages**, our education, experience and skills help employers manage cost and offer plans which will satisfy employee's health care and financial needs.

## Brian Trebenski - President

25 year career in the Financial Services industry working with one of the largest Financial Institutions in North America from 1987 to 2006. During this period Brian experiences included Branch Management, Human Resource Performance Management, Sales Management, Trust and Investments and Sales Delivery. In 2006 Brian transitioned to Insurance Services managing an agency and continues to manage a full portfolio of Employer Group Benefits under the trade name Benefit Solutions Plus.

In 2012 Brian launched ABEO Insurance Agency intending to practice on exclusively closely held companies advising employers about health benefits, compliance, education and leveraging professional relationships to deliver a superior service with one point of contact.
