

Broda Sportsplex COVID-19 Facility Plan

The Broda Sportsplex COVID-19 Plan has been created with health and safety a top priority. You can do your part in keeping sports and recreation available at the Broda Sportsplex this winter season by following the safety protocol that has been put in place. Individual arena users, user groups, visitors, and renters found not following these rules may be asked to leave the facility and risk future access.

Disclaimer: *The Town of Kamsack is not responsible for any fines incurred by arena users or spectators for not following the Saskatchewan Re-Open Plan/Public Health Orders as well as the Return to Play guidelines provided by the user group's governing body or provincial sport organization.*

The Broda Sportsplex is dedicated to providing a safe and clean facility through:

- Following and implementing provincial guidelines, recommendations, and restrictions for operating a recreation facility.
- Disinfecting all high contact surfaces and touch points after each user group.
- Promoting physical distancing, cough etiquette and hand hygiene.

General COVID-19 Protocol

- **Stay home** if you are showing signs of infection or illness consistent of COVID-19.
- The second floor, including the Mezzanine, will remain closed at this time.
- The **concession and vending machines** will be closed.
- Bring a **full water bottle** as water stations are unavailable.
- Practice **physical distancing** and **hand hygiene**.
- Follow all posted signage and protocols.
- **Mask up before entering the facility.** Masks are not required when on the ice surface but continue to maintain two metre distance from extended household groups.
- Follow direction of traffic and distancing markers.
- **Be dressed**, with the exception of skates or curling shoes, prior to entering the facility. **Dressing rooms will not be available at this time.**
- Do not share personal equipment with others.
- **Hand Sanitizer** available upon entry and throughout the facility.
- Arrive no more than 10 minutes before your activity
- Leave promptly within 10 minutes of completing your activity.
- The **maximum number of participants or spectators** in any one area must be followed at all times.
- Gathering or congregating in the lobbies is prohibited.
- Complete COVID-19 screen questions prior to entering the building.
- A record of **all arena users**, for contacting tracing purposes, will be kept for no less than 1 month.
- Designated **quarantine/sick room** for those with symptoms or signs of illness while at the facility. Parent or Guardian will be contacted immediately for pick up.
- There are **no "in and out"** privileges once in the facility.

Public Users (Skating Rink) COVID-19 Protocol

- A **one time registration** form is required. If under 18 years of age it is to be filled out by a parent/guardian. Registration form **MUST** be completed and given to arena staff prior to using the facility.
- Upon entry users must **check in** with arena staff for contact tracing purposes. **Arena staff will monitor** all activities during public skating time.
- **Mask up before entering the facility.** Masks are not required on the ice surface.
- Participants are to **maintain 2 metres** from those outside their cohort group while in the facility and on the ice surface.
- Maximum of **30 patrons within the facility** at one time. This includes the lobby, bleachers and ice surface. Gathering or congregating in the lobbies is prohibited.
- Shiny and informal games are **NOT** allowed however, users may bring sticks and pucks to practice shots on the net.

Private Rentals (Skating Rink) COVID-19 Protocol

- All Saskatchewan Hockey Association Members must follow the **four phase approach** released by the Saskatchewan Hockey Association.
- All participants will have a designated spot in the lobby to tie their skates and leave their belongings during their ice time.
- The renter must have a designated “**Safety Person**” for the scheduled ice time who is responsible for the following:
 - Screening and contact tracing for all participants, officials, coaches, trainers and spectators upon arrival. (Please provide a copy to the Arena Staff)
 - Ensuring guidelines and protocols are followed.
- Any **shared team equipment** should be disinfected between individuals.
- The renter is responsible for the actions of their group.
- Skill development, instruction training and scrimmages are allowed, with 2 metres of **physical distancing whenever possible**.
- **Mask up before entering the facility**. Masks are not required when on the ice surface.
- Coaches who cannot maintain a 2 metre physical distance from a player or fellow coach while on the ice surface are to wear a mask.
- **Maximum of 30 people in designated bleachers** provided there is enough room to maintain two metres of physical distancing between cohort groups.
- Gathering or congregating in the lobbies is prohibited.

Curling Rink COVID-19 Protocol

To be determined at a later date
