## 2016 INSPIRATIONAL TOUR ADVENTURES!

### SAMSON PREMIERS in Lancaster, Pa

Lancaster, Pa has always been a popular destination for Day Dream Tours. During the early 90's, Sight and Sound began their journey to promote Christian Theater and this forever changed the pattern of travel to Pennsylvania Dutch Country. Hotels sprang up, new and old tourist destinations began to thrive and planning group tours to Lancaster became a full time job of mine. "Noah", was one of the first large productions that captivated audiences with a wrap around stage giving one a feeling of being inside the ark. Each production continued to surpass the other with colorful sets, live animals, and a large cast until the devastating fire in 1997. The fire destroyed the new Sight and Sound building leaving many unemployed with a daunting effect on the tourist industry in Lancaster and also our tour schedule. With a new vision, the theater was rebuilt and Sight and Sound has continued to bring the "Bible to Life" for many years. Overcoming obstacles and tragedy, is part of their history and truly a testimony to ones faith and determination to overcome the devastation that was once put upon them. **DAY DREAM TOURS will once again partner with the Sight and Sound theater in 2016. Our Lancaster tour packages include this brand new inspirational production of "SAMSON" along with proven stops that are sure to enhance your tour adventure. Church groups, are encouraged to call for special dates that fit their schedule. Don't miss out on this opportunity to have wonderful fellowship, and inspire others to learn about the stories in the Bible.**

**Day Dream Tour Includes:** Motor Coach Transportation, (Amtrak Train on selected dates), hotel accommodations, taxes, breakfast, Amish Style Meal tax and tip, and show and touring. Each tour is escorted by one of our staff. We offer incentives, colorful flyers and DVD's to help groups fill their tour.
