In addition, if your list is illegal (eg does not contain paths of magic, no nominated general, over points, illegal equipment selections and so forth), you will also receive a further 5 battle point penalty that will be applied to your overall total.

Any illegal list that needs to be resubmitted may only make the minimum amount of changes in order to make it legal. All changes will need to be approved by the TO.

DEPLOYMENT AND SECONDARY OBJECTIVES

The deployment type and secondary objective will be rolled for by the TO at the start of each round. No deployment type or secondary objective will be duplicated in subsequent rounds.

WINNING THE EVENT

At the end of round 5, the player with the most battle points will be the winner, if this results in a tie then the winning player will be determined by total victory points scored.

AWARDS

1st, 2nd and 3rd Place Overall
Best Painted Army

PAINTING REQUIREMENTS

If your army is fully based and painted with a minimum of three colours then you will receive 10 bonus battle points. This is to encourage fully painted armies at the tournament.

BEST PAINTED ARMY AWARD

On Saturday the TO will make a shortlist for the best painted army award. During Sunday lunchtime those Armies will then be displayed for people to view and subsequently vote on. The player with the highest number of votes will win the Best Painted Army award.

In order to be eligible for the Best Painted Army Award, the player must have painted all presented models themselves.

SPORTSMANSHIP AND CONDUCT

Sportsmanship

Good sportsmanship is always expected at our events. If you have any problems with your opponent, please come and speak to the TO. If you are spoken to multiple times about your behaviour then penalties may be applied, up to and including exclusion from the event.

Round Time Calling

In each round we will regularly announce the time remaining. As the end of each round approaches you will need to complete your game if possible, ensuring that equal turns have been played if you have not. At the end of the round we will call for "Dice down" and all playing will stop. Any incomplete turns will be rolled back to the previous completed turn for scoring purposes.

Terrain

All tables will have two dimensional neoprene terrain.

Dice

All dice that are not clearly on the battlefield (of the respective game) must be rerolled. This includes everything not on the table surface or lying flat on the two dimensional terrain. ie. cocked dice, or dice that land on magic cards, arc markers, army lists etc.

Slow Play

We expect every game at Briscon to finish by either both players having completed six turns each or the game ending due to a player conceding or no longer having any models left on the table. Players that fail to complete their game will run the risk of being penalised. If you feel that you are being slow-played then please come to the TO during the game so I can take steps to ensure you don't get penalised.
