

Open Roads Members Attend State Event

Twelve members from Open Roads Chapter ABATE of Illinois attended the yearly state event on June 23 at Menard County Fairgrounds in Petersburg, Illinois. They got together with members from other chapters, reminisced about the previous year and discussed new things for the coming year, met new people, observed various events, and had fun. They also stamped 24 Open Roads Summer Books for those who came to the State Party as a bonus stop. Cliff and Linda Oleson also worked the front gate collecting new ABATE memberships, admitting people to the party, and collecting ticket money. Pictured are some of the Open Roads ABATE of IL chapter members - Judy Busch, Sean Winkler, Joe D'Anza, Mitch Busch, Merrie and Larry Zaskresek, and Cliff Oleson.
