**Great quality and friendly staff!** posted 4/9/2013

Our rentals arrived in great quality and the linens were very clean. The staff was a great help in narrowing down exactly what rentals we needed.

**Excellent rental service.** posted 10/4/2012 (updated 10/4/2012)

We had an outdoor wedding and rented our tent, chairs, tables, and linens from Big D. I found their prices to competitive, and the service was top-notch. I changed our order multiple times as adjusted our headcount, layout, etc., and each time they were very helpful and sent out an updated invoice promptly. On the day of the wedding, their team arrived as scheduled and set up everything as planned. They arrived promptly for tear-down too, and did everything neatly and professionally. You couldn't tell there had been an event there. All of the materials they supplied us with were clean and in good working order.
