SENIORS HONORED

Congratulations to MHS seniors **Lainey B.**, **Grant M.**, and **Sierra P.** for being selected as Southeastern Honors Scholars. The three seniors were honored at a special ceremony on January 28 in Hammond at Southeastern's Student Union Ballroom. The event, titled, "Scholars Showcase," is a very prestigious "invitation only" banquet where selected high school seniors are awarded monetary scholarships for their outstanding academic achievements and ACT scores. These scholarships will be applied each semester at Southeastern La. University, as long as students continue to demonstrate academic success. All three seniors have already accumulated multiple college credits through the Advanced Placement Program and the Dual Enrollment Program at MHS.

TEACHABLE MOMENT

Seventh-grade ELA students recently found a teachable moment during class. School-board workers who have been repairing the 100-year-old building appeared outside the upstairs window. Surprised by the anomaly of a person floating at their second-story-window level, the conversation quickly turned to scaffolds and scaffold building. A poem called "Scaffolding" by Seamus Heaney was found in the textbook. Students quickly practiced oral readings of the poem and went outside to perform the poem for the workers. Maurepas memories; find the joy.
