

**ICE OUT CONTEST; 2020:**

\*Soon after the first of the year we'll have tickets available for our new **2020 Ice Out Contest**.

\*Just to start thinking about it; the Official Ice Out Clock will be placed in The Channel this winter, just to the west of Hyde Park where it will be monitored daily by MVA Member, Fred Kneppergeres.

\*The winner with the closest ice-out prediction will "split the pot" (50/50) with the MVA. We'll also have second and third place winners who will receive gift certificates to our favorite local establishments. Tickets and rules for the contest will be added soon after the new year.

(Thanks to MVA board member **Mike Basehart** for coordinating the contest.)
