## CONSTRUCTION SURVEILLANCE PROGRAM

# **Construction Surveillance Program**

## **Table of Contents**

- 1. Construction Surveillance Program Overview**
- 2. Construction Surveillance Flowchart**
- 3. Project Quality Plan – Example**
- 4. Construction Surveillance Program – Example**
- 5. Pre-Mobilization Checklist**
- 6. Construction Surveillance Checklist Overview**
- 7. Construction Surveillance Checklist**
  - A. Contractor System Assessment**
  - B. Structural Fabrication**
  - C. Painting**
  - D. Piping Fabrication / Erection**
  - E. Passive Fire Protection**
  - F. HVAC / Architectural**
  - G. Mechanical Installation**
  - H. Electrical Installation**
  - I. Instrumentation**
  - J. Insulation**
  - K. Piping Pressure Testing**
  - L. Civil Work**
  - M. Pipeline Construction**
  - N. Infrastructure**
  - O. Tanks**
- 8. Sample Reports**
- 9. Construction Site Metrics User Guide**
- 10. Construction Site Metrics**
- 11. Contractor System Assessment Plan & Metrics**
- 12. Product Verification Plan & Metrics**
- 13. Construction Surveillance Plan & Metrics**
- 14. Construction Surveillance Plan & Daily Metrics**
- 15. Source Surveillance Plan & Metrics**
- 16. Site Construction Quality Plan, Metrics & Auditing (Welding)**
