

Funds are Available to Advance Eastern Oregon's Workforce

Funds are available to support projects and programs that advance businesses and training efforts in eastern Oregon.

The Eastern Oregon Workforce Board (EOWB) has \$48,000 available to help launch projects/programs that support job advancement and training.

ABOUT THE EOWB

The EOWB's purpose is to coordinate resources to help eastern Oregon communities flourish, employers succeed, and individuals advance through innovation and partnerships.

The EOWB is inviting businesses and organizations that serve eastern Oregon to apply for these funds. A business/organization may qualify for funds if its project/program:

- Supports business growth or job creation and/or advancement opportunities
- Supports advancement of the Healthcare, Manufacturing or Transportation industries
- Expands a qualifying project into a new area based on a proven successful model
- Pilots a qualifying project with a high likelihood of success based on business need
- Serves as a model for other eastern Oregon communities
