# Grace & Peace from the Pastor's Desk

#### 

Every autumn I contemplate the change of seasons, and wonder at the beauties God has allowed us to share. Some of the changes include: cooler temperatures... although I understand some prefer the hottest weather and I do too for a while, but I like the change to a bit cooler temperatures; we have shorter days... I've got to admit that doesn't resonate with me, I'm not aware of anyone who appreciates less sunshine; there is the smell of autumn in the air, including grapes... one of my favorites; I have been watching out of the church office window as the scurrying squirrel gathers nuts and provisions for the upcoming Winter; and, what is most likely the obvious sign of Autumn in the northeast... the glorious beauty of the trees as the leaves turn into bright fall orange, red and golden hues.

And with autumn usually comes a change of schedule as we move into our homes from the patio or porch, the children return to school after having a summer off, and the church programs and meetings resume. Yet, as so much has been different in 2020, so is the way we are dealing with returning to school and church.

Some our children will be learning from home, some of our children will be returning to the classroom on a two or three day a week basis, some will be returning full time but with seating distances or shields and mask wearing. It isn't the way it's always been.

The same with worship. It won't be the way it's always been. There will be a committee meeting to establish guidelines and parameters for in-person worship in the sanctuary. It won't look like it's always been... there will be seating guidelines and mask wearing. Music will be different as well... singing is much different than speaking when it comes to how far molecules carry... in speaking, particles are carried about 6 feet, singing allows them to be carried for 28 feet... that's almost 5 times as far as speaking, even when wearing a mask. (You will have the choice to continue to worship in your car with the service coming over your radio where you will be able to sing as you like.)

2020 has brought many changes to our lives, but there is one thing we can be sure of...the one to whom the church belongs, Jesus Christ, does not change. As per Hebrews 13:8 "Jesus Christ is the same yesterday and today and forever." Our worship is to glorify God and praise Jesus Christ in the presence of the Holy Spirit. That will never change.

If there's ever anything you'd like to speak to me about, I'm in the office Tuesdays and Thursdays from 9:30 am to 2:00 pm, you can call or stop in. I'm also available on my cell phone 724-557-2386. (Please leave a message if I don't answer.)

Grace and Peace,

Pastor Karen

### **Instructions for Indoor Worship during COVID-19**

- October 25, Reformation Sunday first day for indoor worship. We will continue to have one service at 9:30 am.
- Do not attend worship if you are feeling ill.
- The service will also continue to be broadcast on the radio, but we will be using AM station 1500 beginning on October 25th. Those attending the drive-in service, we ask you to park in the West 10<sup>th</sup> Street lot rather than the main lot. An usher will bring you a bulletin, if needed and your pre-packaged Holy Communion.
- Limited seating will be available in the nursery which has a speaker. You may also bring your own AM radio and tune into the broadcast in a classroom. Windows and doors will be open during the worship service to allow proper ventilation and air flow in the sanctuary.
- A mask or a face shield is to be worn in the church building; other than the brief time it may be pulled down to take Communion. If you do not have a mask, one will be provided.
- Enter the Sanctuary through the side Narthex door located on Powell Ave., all other entrances will be locked. The disability accessible entrance will be available as needed.
- Bulletins will continue to be emailed for use with your electronic device or self-printing. A limited supply will be available in the Narthex. Offering plates which will be located in the Narthex and front of the Sanctuary.
- Walk directly to a seat that has a sign-in sheet placed upon it. You may not be able to sit in your "normal" seat. For your protection and the protection of other worshipers, do not sit in any seat without a sign-in sheet, the seats have been properly physically distanced. Do not change seats once you have sat down. Families may sit together, but do not sit within 6 feet of a person with whom you have not recently been in physical contact.
- Complete the sign-in sheet so we have record and contact tracing of who attended worship. Please do not expect the usher to "just know" you were there. Leave it on your seat to be collected after the service.
- There will be no singing indoors. We will speak the first verse of the hymn which will be included in the bulletin. The Psalm will be responsively spoken in unison.
- Holy Communion:
  - One side of the church will be served at a time. Come forward by the center aisle to receive Holy Communion, social distancing 6 feet from any person who is not a member of your household.
  - Ocommunion cups will be prefilled with wine. Pick up a cup without touching any other cups in the holder, then proceed to the pastor to receive the Host. Do not kneel at the Communion rail. After receiving the Host move to the far end of the Communion rail to consume the elements, throwing your cup in the provided recycle bin.
  - o Return to your seat using the side aisle.
- After the service you will be individually dismissed. You may leave by any exit. Please do not
  congregate for conversations in the building.

The re-entry sub-committee thanks you for following these instructions that were carefully crafted so that you and others may safely worship in the sanctuary.

## From Lutheran Immigrant & Refugee Services - LIRS Our Planet And Our Country Are In Crisis.

According to the United Nations High Commissioner for Refugees (UNHCR), an average of **22.5 million people were displaced by climate or weather-related events** between 2000-2018. And the numbers keep rising—the International Organization for Migration estimates that by 2050 there will be **200 million climate-displaced persons**.

The Caring for Creation: Vision, Hope, and Justice Social Statement explains the ELCA's teachings on ecology and the environment, grounded in a biblical vision of God's intention for the healing and wholeness of creation. This statement provides a Christian understanding of the human role to serve in creation, and a hope rooted in God's faithfulness to the creation from which humans emerge and depend upon for sustaining life.

CHICAGO — The Rev. Elizabeth A. Eaton, presiding bishop of the Evangelical Lutheran Church in America (ELCA), and leaders from The Episcopal Church, the Anglican Church of Canada and the Evangelical Lutheran Church in Canada have prepared a series of devotions to observe the Season of Creation 2020, Sept. 1—Oct. 4.

OUR TIME OF GROWTH IN
CHRIST

Have you driven along Powell Ave, south of Immanuel Lutheran Church (on the west side of the street) and noticed a food pantry stand? The food stand is provided and supplied by Flightpath Fellowship, 4749 McMillen Drive, Erie, PA 16505 and is located in front of Pastor Joe Gerhart's home. At the morning of our first drive-in service, the Pastor of Flightpath Fellowship, walked down to Immanuel and thanked us for being a part of the community and prayed with our worship leaders that morning. Your church council discussed the possibility of helping to support this food ministry. Bob Dorler recently contacted Pastor Joe to ask if they needed assistance with the food stand. Pastor Joe welcomed the idea. So perhaps you found that you are overstocked with some extra nonperishable goods or just bought too much. Donations may be placed directly in the box or brought to the church office from 8:30 am - 12:30 pm or on Sunday mornings. Additional items such as pamphlets or worship reading material is also welcomed. For further information or questions, please contact Bob Dorler or Debbie Redditt.

With the money. We were able to buy outdoor furniture, an umbrella and Tiki torches, so that we can hold 12-Step meetings in, and confortably enjoy our backyard. We bought screens for our second-floor meditation room, so that we can get more use of the room with better air circulation. Tinally, we were able to use a power washing service, for the mud and build-up on the side of our home where we've been working together on our first regetable garden.

As we continue to strive to better ownselves, each often and our community. it is imperative that we have a safe, clean, and comfortable atmosphere wherein we can sustain our goals towards physical and spiritual healing from our addictions.
