CHRIST'S MISSION, OUR MISSION

April 22, 2019

To the Inland West Mission Center

Dear friends,

I am writing to inform you that Brad Martell is resigning his role as Inland West Mission Center President effective May 31, 2019.

Effective June 1, 2019, I will step in to serve as the acting MCP for Inland West. I will actively work with Inland West Mission Center leadership, Director of Field Ministries, and Director of Human Resources to select a new mission center president with the goal of presenting that appointment to the Inland West Mission Center Conference this coming September 27-29 in Whitehall Montana.

Brad and Lori's ministry and presence has been much appreciated the past three and a half years. Throughout that time Brad enthusiastically supported the mission of the church and always put the people first. To that end, he spent quality time with membership across the field. He also made a special point to be present at as many camping events as possible including retreats, reunions, youth camps, SPEC, and even cooked for women's retreat (with Lori's support). Brad and Lori will be dearly missed.

We wish them well in their new adventure. We are deeply grateful for their continued dedication and service, and know their ministry will be a blessing regardless where their journey takes them.

Blessings,

Robin K. Linkhart
Apostle, North Central USA Mission Field

cc: Scott Murphy, First Presidency, Director of Field Ministries
Matt Frizzell, Director of Human Resources
