NO. 3

GREETINGS,

Summer's going by fast but there's still plenty of time to enjoy these old cycles. Several members of our Chapter attended the national meet at Tiffin, Ohio and a good time was had by all. There were quite a few vendors on hand and a good selection of parts for sale. Prices were pretty steep but a bargain could still be found. Robert Scott found several parts for the two panheads he's restoring. Clark Bennett found some parts for the Indian 741 he's working on and even some original Indian sparkplugs. Lee Rudd picked up some parts for his '40 EL.

Gordon Barbee, our member in Huntsville, Alabama, also attended the national meet. Gordon brought a yellow 1941 Indian 4 he had just finished restoring and it was beautiful. A reminder to our members. Gordon owns Motorcycle Classics in Huntsville. He can probably help with parts and service on those antique bikes. For those of you not familiar with Gordon's shop pick up the May '82 issue of Custom Bike. They have a nice article on Gordon.

The next meeting of the Confederate Chapter will be Sunday, August 8th at 2:00 p.m. It will be held at the home of Clark Bennett at 3309 Daisywood Lane. Clark will show some movies taken at the Tiffen meet. We will also be discussing the Davenport meet coming up and other plans in the works so be sure to be there!
