

## Prevention Coalition Meeting Notes

February 9<sup>th</sup>, 2018

Location: SAFE's SISTR's Room

10:00AM – 11:00AM

### Notes:

- I. Watched ANDVSA Video Module 3- "Primary Prevention Under the Hood"
- II. SAFE introduced "Pathways"
  - Different Programs through 'Pathways' that have happened/are happening in Dillingham/that we may want to implement....
    - Green Dot.. We have two people in town who have gone through the Green Dot training; **BV** and **CR**.
    - LeadOn.. We typically have 3-6 youth from Dillingham/Bristol Bay who attend the LeadOn conference. YDLG formed from this conference and this year YDLG is working on a positive newsletter that is funded through a mini grant they were awarded to do a community project.
    - Compass..
    - Stand Up, Speak Up..
    - Coaching Boys into Men.. Have talked to the coaches, difficult to plan around sport schedule and their schedule. May be something to look into for the 2018-2019 school year
    - Girls on the Run/Let me Run (for boys)... Sitka does girls on the run, may be something to look into for Dillingham
- III. Beaver Round Up.. Are there any events that we want to host? Prevention Events.. Events to just get our group name out there/prevention efforts out there.
  - Talking Circle.. Not the best time to do a talking circle. A talking circle may bring up trauma and BRU is a time for celebration. Something further to look into- **SB** as a possible talking circle host.
  - Community Dance.. We do not know if one is happening, something to contact BRU about. HS dance on the 16<sup>th</sup> of February. Looking for chaperones. Can contact **SAFE** who will put you in touch with **VM YOUTH**.

- Sewing Group/Crafts Group.. KH? CL? Possibly do other small craft also?
- Dancing Group.. JJ or FM, people to contact who may help out with a traditional dance group.
