Sheridan Community Club

Ways To Help Our Community

1. Attend Meetings. Don't just show up if you have a problem or complaint.
2. Accept nomination to serve on the Board or appointment to any committee.
3. Describe the Community Club in positive terms. Don't criticize the Community Club members or volunteers.
4. Be prepared when asked to contribute; plan details of an event, coordinate with others and affiliates.
5. Contribute whatever time you have available for the benefit of the community. Become a dependable, constructive member of the Community Club.
6. Keep an open mind and look for the benefits to the community whenever a new program or event is being initiated.
7. Let people know that our community is a great place to live and that you look forward to their involvement.

Kellie Antich and Jodi Wulff are very excited to take over the Sheridan Community Club. The Community Club is nothing without the Community. We want to enroll and engage every member of the Sheridan community. We welcome all to come to meetings.
