“I am doing very well in school in part because of contributing factors such as the support from this scholarship and it’s donors. I have been able to maintain a 4.0 grade point average two semesters in a row, allowing me to be on the Presidents Honor Roll. As well, I am still on the Cheerleading squad, in the Scholars club, and active in multiple campus organizations. Although we are currently experiencing a pandemic, I am so thankful and relieved to know that this foundation and it’s donors have chosen to continue supporting me on my academic journey.” **Kya**
