

Builders & Developers

Address listed maybe offices, workshop or home of builder.

Buildings known to be credited to builders are listed after the other details.

Planning applications list builder and owner in same column so it can difficult to decide whether a person is a builder or owner. Some builders are not local.

The old applications are like the current ones and all the listed buildings may not have been built or may be a later application for the same site.

[Application Number]; {xxx} additional information not in original record

Abraham

1823	Southsea, J Abraham, Carpenter & Builder	44
1828	Southsea, J Abraham, Carpenter & Builder	44
