With the church closed under Alert Level 4 guidelines, the parish office is closed as well to the public. You can still contribute to the parish by mailing your envelopes to the address at the right, you can drop your envelopes in the mailbox outside the office door, or you can use Direct Giving through automatic debit from your bank account. You can call the office to get more information on Direct Giving. If you drop your envelopes at the office door, please ring the doorbell to notify the office that there is a drop off and it can be picked up immediately. **Please refrain from depositing at the door outside of office hours.**

### Recycling Fund Raiser

Please consider donating your beverage containers that have piled up over the holiday. If you wish to donate your beverage containers, you can do so by dropping your bags into the green bin next to the parish centre door. We ask that you drop off your recycling in this bin on Mondays if possible. This will give time to bring the bags to the depot and get a report for the bulletin. Please remember this is for beverage containers only (pop cans, juice boxes, liquor bottles, beer bottles) not milk cartons, soup cans or plastic containers. Please be careful as to what you put in the recycling bags. The containers must be cleaned and caps removed. Thank you to all who are contributing. **To date we have \$738.50 in our recycling account.**

The *Share Love, Share Lent* campaign invites you to pray for them and to honour their solidarity towards our sisters and brothers in the Global South.

**Show your support by donating generously this Solidarity Sunday.** You can also become a monthly donor and have your year-long contribution matched, thanks to the support of religious communities across Canada. Not only will you double your impact, but you will also automatically become a member of Development and Peace!

To help make a difference, **get your MP to commit to building back better from the pandemic.**
