We are pleased that you have chosen Indian Run Preschool as your “partner” in the care and education of your child. Like you, we are interested in your child’s total development. Our commitment is to provide your child with the best possible learning environment. The following information will help acquaint you with our procedures and policies.

STATEMENT OF PHILOSOPHY: Indian Run United Methodist Church Preschool is an outreach ministry of the Indian Run United Methodist Church (IRUMC). The school provides a Christian environment to nurture the intellectual, social and spiritual growth of young children through a developmentally based curriculum. Indian Run Preschool makes a difference in the life of the student’s families by exhibiting the values of the IRUMC, providing opportunities to join the church, and exposing preschool families to other church ministries. Indian Run Preschool ministers to its students through the actions, teachings and leadership of its teachers and staff. Children are encouraged to learn and explore at their own speed in areas that interest them.

FEES:

1. **Registration:** A registration fee of \$75 (\$25 for each additional child in the family) will be due at the time of enrollment and with each subsequent enrollment. Also payable upon acceptance is the last month's tuition. This tuition deposit will be applied to your child's last month at the preschool. The registration fee will be used to purchase consumable materials and to defray printing costs. The tuition deposit is refundable when the Preschool is notified by July 15 of the current year that the child will not attend. Registration fees are not refundable. A \$60-2 days a week, \$80-3 days a week, \$100-4 days a week, \$120- 5 days a week is due with the September tuition in lieu of fundraising.
2. **Tuition:** Fees for the school year will be \$_____ per month, due in advance by the first working day of the month. Expenses are divided into nine monthly payments for your convenience. Full tuition is due for any periods including holidays. Staff receives these days as paid holidays. **Late fees will be assessed in the amount of \$10 on fees not paid by the tenth of the month.** Make checks payable to Indian Run Preschool and mark the month and your child' class on the check. Checks are to be mailed or placed in the Preschool mailbox at Welcome Center. **DO NOT** send checks to the classroom with your child! **Returned Checks:** There will be a \$15 charge for all returned checks in addition to any charges made by you bank. Cash or cashier's checks will be required as payment for a returned check. Your account may be put on a cash only basis after two returned checks.
3. **Late Pick Up Charges:** We realize there are occasional emergencies that may prevent you from picking up your child on time and therefore we would appreciate a phone call to advise us if you will be late. This is important as many children fear they have been forgotten when parents do not arrive at their usual time. However, as the teachers need to prepare for afternoon classes, eat lunch, and/or return to their own families, parents will be charged after an initial late pickup. **Parents who pick up their children after the regular ending of a session (11:55am and 3:25pm) are charged a fee of \$1 for each minute you are late picking up your child from preschool.** Repeated failure to pick up your child on time may be grounds for dismissal from the program. We appreciate your cooperation.

HEALTH:

Medication will be given if you provide the medication in a container showing the child's name, the date, the physician's name, the instructions, and the need for refrigeration. A medicine authorization must be signed by a licensed physician and must be renewed with any new medication. The person administering the dosage will initial the authorization and indicate the time each dose was given. Procedures for giving a child medication will be followed based on the medical care plan ODJFS 1236.

Information about substances to which your child is allergic needs to be in writing on Child Enrollment Form ODJFS 1234. Please report any changes or new information in writing on a "Child Medical/Physical Care Plan" ODJFS 1236. If your child has food allergies or other severe allergies you will be asked to sign a release form in addition to all the other required medical paperwork. A no peanut product policy will be in effect in all classrooms.

Children that require medication to be kept at school will need to complete the following documents:

- ODJFS form 1217 Request for Administration of Medication for Child Care **one for each medication and box 1 and 2 need to be completed by parent and physician.**
- ODJFS form 1236 Child Medical/Physical Care Plan for Child Care completed by parent and also teacher will be informed and trained.
- Sign the Indian Run Preschool Allergy Release

All children attending our program will have their medication kept in our Director's Office.

No children will be allowed to carry their own medication or ointments. Including our school age children.

If your child needs to be excused from any normal activity, we must have the information in writing and signed by a licensed physician. Children are supervised at all times.

IMMUNIZATION OF CHILDREN: Children must be up to date on all Immunizations based on their age. Indian Run Preschool reserves the right to deny admission to, or terminate the enrollment of, any child who has not been immunized against all diseases appropriate for the age of child.

SAFETY:

Parking Lot Procedures:

INDIAN RUN PRESCHOOL DROP OFF/PICK UP POLICY: The goal of this policy is to increase child safety, primarily by eliminating to the maximum extent possible, vehicles maneuvering in reverse and children walking between parked vehicles. This policy should be read carefully to avoid confusion.

CHILD DROP OFF LINE: Vehicles are to enter the property using either the Eastern Drive or the Preschool Entrance Drive, form a single file line proceeding south along the Main Church Drive, and then wrap around the building to the Celebration Hall (Preschool entrance). Once the child or children have exited and moved away from the vehicle, the vehicle should proceed along the Main Church Drive to the Preschool Exit Drive (the Western drive as indicated on the site plan) to Brand Road. All children must exit the vehicle from the side closest to the Church. **In NO event are children to walk to the front entrance unattended.** Please do not walk your child into the building when cars are being unloaded as this is unsafe. Use extreme caution when parking and walking your child into the preschool building. Please remember, no amount of time "saved" is worth any increase in risk to a child!

All children need to remain buckled into their car seats while on church property. Preschool staff will unbuckle children and help them exit the vehicle safely during drop off procedure.

WALKING CHILDREN INTO BUILDING: If you choose to walk your child into the building enter the parking lot at the far Eastern drive and park in the large parking lot at the main entrance of the church. Walk your child all the way through the narthex and up to the preschool wing of the building. Once you are at the preschool door and teacher have greeted your child you are free to leave. NEVER drop your child off at main doors and expect them to make this long walk alone. ALWAYS make sure teachers see and greet your child. Children should not be walked in at Celebration Hall Entrance this area is very busy with drop off line and not a safe area to walk child into building.

CHILD PICK UP: Parents will need to park and come into the preschool to pick up their children from each classroom. Teacher will release children to parents or authorized persons picking up the child.

All vehicles must enter the East Lot using the Entrance Drive, and exit using the Exit Drive. Limited parking is available in the West lot (closest to Celebration Hall entrance) when parking in these spaces back, so you will be able to see our children as you are leaving. All vehicles in the East Lot should park in "opposing spaces" facing east. If you are the first vehicle pulling into opposing spaces, please pull all of the way through the spaces to occupy the eastern-most space so that when it comes time to leave, all you need to do is to pull forward. If you park behind another vehicle, please simply wait until the first vehicle leaves before you leave so that you too can pull forward to exit the East Lot. Please remember, the goal is to avoid maneuvering in reverse, and again, no amount of time "saved" is worth any increase in risk to a child!

We, the Staff and Preschool Board of IRUMC Preschool appreciate your full support and cooperation.

ARRIVAL AND DEPARTURE FROM PRESCHOOL:

ARRIVAL: Doors open at 9:15 am or 12:45 pm. Morning classes begin at 9:20 am and afternoon classes begin at 12:50 pm. The teachers have arrival activities to allow all children to arrive in the classroom before the learning portion of the day will begin. Please try to have your child to class on time. The drop off line usually lasts for about ten minutes. The director will escort your child into the building as you drop them off at the Celebration Hall Door. Please do not walk your child into the building when cars are being unloaded as this is unsafe. Children may not be dropped off at the entrance of the building or be sent inside alone.

All children will be greeted by their classroom teachers upon arrival. Once the drop off line is completed the director will walk around to each classroom and verify the students that are not present and make contact with their parents to confirm that children are ill or not attending school today. When a child attends multiple programs and is delivered to our program we will confirm their attendance at school just like we do with our other students and contact parent to confirm why they are not at school.

DISMISSAL: Morning session children will be dismissed at 11:50 am and afternoon sessions will be dismissed at 3:20 pm.

DISMISSAL TO PERSON OTHER THAN PARENT/GUARDIAN: The school must have on file written permission regarding persons with whom the child may be dismissed. Only persons listed on the form may remove the child from the premises; staff may ask for proper identification (driver's license). Please let people know about this ahead of time so they bring a picture ID and they are not offended. The children's safety is our priority! Custody papers (if applicable) must be on file in order to release the child to the authorized parent or guardian. For the occasional play date or release to others for schedule purposes please send a written note to your child's teacher or an email to the preschool office. The child will only be released to the parent, car pool driver or with written permission, to another named individual. Any individual not on the car pool list will be asked to show identification.

RELEASE OF A CHILD: Staff will not release children to anyone, including parents, who appear to be under the influence of drugs or alcohol. Emergency contacts will be called to transport the child home. Police will be notified if necessary.

CUSTODY AGREEMENTS: If there is custody issues involved with your child, you must provide the preschool with court papers indicating who has permission to pick up the child. The preschool may not deny a parent access to their child without proper documentation.

LATE PICK UP POLICY: Please be prompt in picking up the children as it can be very traumatic to feel "abandoned" when you are late. Should you find you will be late, please call the school so that we may reassure your child and those in the car pool.

ATTENDANCE: Teachers will keep daily attendance records of arrival and dismissal. We ask that parents inform the preschool when their child will be absent. We appreciate a brief explanation of the absence. You may call us at 614-889-8862 or email at juliestroup@indianrun.org or classroom email. This information will be shared with your child's teacher and director.

PROGRAM: The overall program at Indian Run Preschool is based on several fundamental beliefs about children:

The early years are ideal for learning

- Learning is fun.
- Each child develops skills at an individual rate.
- Children learn best by doing.
- Quality programs have long term positive effects.
- Children who have a positive self-concept are better able to take advantage of the educational environment that is provided for them.

Indian Run Preschool's goal is to provide your child with the best and most current educational program. The well rounded Christian curriculum program provides your child with experiences in social development, music, art, science, math, language arts, and small and large muscle development.

Each class will have a posted schedule and list of activities for the year on the Shutterfly site. Any information that needs to be communicated to parents will be posted on Shutterfly or emailed to parents through our director. Each day the teacher write information from the day on the white board outside the classroom. This is a good way to start a discussion with your child about what happened at school today.

DISCIPLINE: This applies to all parents and staff while at the Center. At Indian Run, discipline consists of positive reinforcement, re-direction, and time out. Time outs will be age appropriate in length and done within the classroom. The use of physical punishment is never permitted.

As your partner in caring for your child, it is important that good communication exist between the home and the preschool. Please share with us information which will make us more sensitive to your child's needs. The director will keep you informed of any behavioral problems which may occur with your child at the preschool. Any child experiencing difficulty in playing with other children or not able to cooperate with the teachers will be asked to come in for a consultation with the Director with his parent(s). If the conflict is not resolvable, the child will be on probation with the possibility of expulsion from the program. If it becomes a situation that we at Indian Run Preschool feel we are not able to meet the needs of a child or affecting the need of the whole class we reserve the right to unenroll a child from our program. We want to provide a situation that best meets the needs of all the children in the program. We will work with both child and parent to prevent such an occurrence. If the child demonstrates behavior that requires frequent "extra attention" from the staff member, we may choose to develop and implement a behavior management plan. All conversations are handled discreetly to protect the privacy of the child. This plan would be developed in consultation with the parents and would be consistent with the requirements of Rule 5101:2-12-22 OAC.

Field Trips: Indian Run Preschool will not take any field trips off the premises of Indian Run United Methodist Church. We will have a variety of visitors coming to visit the children at preschool. We will occasionally take walks around the property of IRUMC.

SNACKS: **We do not serve snack at preschool.** We will be doing special cooking activities as part of our curriculum and you will be given a permission slip to sign stating all the ingredients that will be used. We will also have special parties during the year where we will have a snack. **IRP HAS A NO PEANUT OR PEANUT PRODUCT POLICY THROUGHOUT THE BUILDING.** Please comply with this policy for the safety of children with allergies. **Parents of children with food allergies must sign a permission slip for food items used or eaten in the classroom before participating in an activity.**

BIRTHDAY: At preschool your child's birthday will be given special attention. We will honor them with a card/sticker or crown and sing Happy Birthday to the child. As part of this celebration if you would like to make a donation to the class (a puzzle, game, toy or book) we will have special labels for the donated item and we will be able to use the item throughout the school year and for years to come. **We will not allow food or goodie bag treats to be passed out at school!**

SHARING: You will be notified by the classroom teacher when sharing time will be for your child and the types of "shares". Please refrain from sending toys or hats with your child at other times as they can become lost, broken, or a distraction. Please do not send toy guns or weapons of any kind. We will provide many stimulating activities and items to play with and explore.

DRESSING FOR PRESCHOOL: Your child's school clothes should be play/work clothes. They will take rough treatment. It also helps children develop independence if clothing selected can be readily managed by them. All articles of **outdoor clothing should be labeled. Tie or Velcro rubber soled shoes are a must. Slip-ons and slippery soled shoes are unsafe for running and climbing.** On days that outdoor play is not provided due to weather conditions, we will include a time for indoor gross motor activities. If your child wears snow boots to school, please send shoes along as the boots become hot and are difficult to play in.

OUTDOOR PLAY: We will plan outdoor play if it is 45' and DRY taking into consideration wind chill and heat index. Always dress your child for the weather with sunscreen, coats, gloves and hats. On days that outdoor play is not provided due to weather conditions, we will include a time for indoor gross motor activities. The teachers determine if it is dry enough to play outdoors; they may also take the class on a short walk around the church premises.

WEATHER: When Dublin City School closes for inclement weather our preschool will also be closed. In the event Dublin City School has a delayed start, the IRP morning session will be cancelled. If Dublin City Schools cancels its afternoon kindergarten, all IRP afternoon sessions will be canceled. Our director can make a decision to cancel based on weather or building situations. Announcements will be made with a personal email to each family, posted on Facebook, and on our Remind Text System. Since we have enrollment from areas outside of Dublin, should you feel conditions are too hazardous for driving, please use your own judgement and you and your child's safety comes first. Scheduled days canceled due to unforeseen circumstances will not be made up or compensated for.

TELEPHONE: Calls will be accepted before, during and after school. If we are out of the office, please leave a message on our voice mail at (614) 889-8862 and we will return your call as soon as possible. In case of emergency, call the church office at (614) 889-7728 and they will contact the director.

COMMUNICATION: Each child will need to bring a school bag that he/she can open and close easily and is large enough for notes and prized creations. **Check the bag daily** for important communications from the school. Teachers have an email account for their class rooms that you are welcome to use as a communication tool. Keep in mind that the teachers do not have access to a computer during the school day.

CONFERENCES: In November, we will be off a day to have individual conferences with parents to discuss progress and adjustment to preschool. A second conference will take place in March. We will complete these two assessments based on your child development using the Ohio Early Learning Content Standards and our curriculum. These assessments are not reported to Ohio Department of Jobs and Family Services. The children will not attend school on conference days. Parents are encouraged to leave siblings and students at home, use our child care service for a donation to cover the expense of hiring teachers to cover the care of your child. Should questions or problems arise at any time, please feel free to contact the teacher or director for a conference.

PARENT PARTICIPATION: Parent involvement is welcome and encouraged. If you wish to volunteer in the classroom, for parties or special activities, or for special projects, please contact the director or one of your child's teachers. Parents are welcome in the classroom at anytime. To avoid overcrowding, we ask that you please make arrangements with the teacher prior to the session you wish to attend.

BREAST FEEDING: can be done in any area of the church building that is determined suitable to the parent.

SAFETY POLICY: All reasonable precautions to insure the safety and well being of the children in the care of Indian Run Preschool will be taken at all times. A preschool staff member in charge of a child or group of children shall be responsible for their safety. No child will be left unsupervised and no child will be released to anyone other than his/her parents or other so designated person(s). If an emergency arises, the parent must provide a written signed note giving the person permission to pick-up their child.

Fire and weather alert procedures are posted in each classroom. Fire drills are practiced monthly and tornado drills are practiced in the fall and spring. A telephone is available for emergencies. Parents shall follow the arrival and dismissal procedure outlined in the parent handbook. No aerosol sprays will be used at the Indian Run Preschool program.

All teachers are trained in First Aid. In the event of a minor injury, the child will be treated by a staff member. If the injury is serious, the child will be treated and parents notified immediately. If the child is seriously injured and cannot be treated by a staff member, the life squad will be called and the parents notified as soon as possible. Following an injury, a duplicate incident report will be completed. The staff member will give one copy to the parent and place the other into the child's file. All staff is trained in child abuse prevention and recognition. Indian Run Preschool is required by law to report any suspicion of child abuse or neglect to Children's Services.

In the event of an emergency at the school or church we would evacuate the children to the Avery Baseball field parking lot. Should we need to evacuate to an indoor sight we would go to Jerome High School. The teachers would use their cell phones to contact the parents in the case of such an emergency.
