## From the President's Desk:

It is not too early to start thinking about the Family Picnic which will be held on our grounds Sunday, August 28th about noon. The club provides fried chicken, rolls, drinks, and ice cream. Members may bring a side or dessert. This is a nice laid back affair with fellowship and games. This year marks our 100th anniversary so be sure to mark it on your calendars now and plan on attending.

Congratulations to our returning and incoming officers. I (Howard Thompson) will return as president as will Lisa Furhman (corresponding secretary), Bill Stone (recording secretary), Bob Nelson (treasurer), and Dan Blair (state director) Greg Senft will be our new 1st vice president, Sarah Chenowith will be our new 2nd vice president, Greg Zeigler will be our new assistant treasurer, and our 4 new incoming directors Ted Bell, Allen Evler, Jon Chenowith, and Grant Senft. These terms begin September 1st and all officer's terms are 1 year, and director's terms are 3 years.

## THE GATE IS COMING, THE GATE IS COMING!

Many of you have seen the new entry access gate at the club. By far the response has been positive, it seems folks have wanted this for some time. We expect installation to be near complete by the time this newsletter hits the streets, and will be working on getting a card out to everyone by mail. We will be using the mailing list we have on record, so it is important to keep that up to date. We expect to be online by late July/ Early August

### YOUTH FIELD DAY!!

After a two year absence, The York Area Sportsmen for Youth's Youth Field Day was a resounding success! On June 4th, 200 kids and their families invaded the grounds. We had 12 outdoor activity stations, great weather, greater volunteers and even greater sponsors. So many thanks to the Ikes that pitched in, Hopewell Fish and Game for their help and of course the kids with their smiles. It was a grand day! For participation in next years' event, watch for announcements in our newsletter long about January.

## BUILDING & GROUNDS

The May 22nd work detail had a dismal attendance, but I am thankful for the few who did show up and helped a couple of the most important tasks. We had 3 out of more than 1350 members attend, and this includes myself. My hopes were up after the February work detail but I am at a loss of what to do with the growing list of tasks that need done around the club. If you have any suggestions please email me at [president@yorkiwl.org](mailto:president@yorkiwl.org). I am not prepared to schedule any additional work details at this time. We need a solution to this problem first.
