The Red Baron's Beer Toast

Here's to a long life and a merry one

A quick death and easy one.

A pretty girl and a true one. A cold beer-and another one.

RED BARON BEER TRIVIA

The word "beer" comes from the Latin "bibere" meaning "to drink". The word "bridal" is a derivation of "bride ale", which was the name for old-time English wedding feasts at which ale naturally was the featured beverage. The United States Brewers Association is the oldest still-in-existence trade organization in the United States. (Founded in 1860.)

In days of old, tavern keepers would mark purchases on a board. Purchases were by the pint (P's) or quart (Q's). Barmaids and patrons were reminded to "watch your P's and Q's". (Keeping track of how much money was owed.)

The term "toast" comes from the fact that, in days of old, beer was often consumed in front of the fireplace, where bread was being toasted at the same time. Bits of toast would be thrown in the about-to-be-drunk beer and then a "toast" would be made.
