A note from the owners, Michael and Trisha

Thank you for giving us the opportunity to serve you St. Louis's best pizza. We recognize that without our customers, our business would not exist.

JJ Twig's is committed to having all of our customers leave our restaurant satisfied. Our pizza dough, sauce and Italian sausage are made using 60 year old family recipes created by "Pizza Bill" in the northern suburbs of Chicago. He shared his famous recipes with the JJ Twig's family who, after 30 successful years, shared them with our family.

St. Louis has been enjoying these recipes since 2006.

Our cheese is 100% Whole Milk Mozzarella, our Italian Sausage is made in Chicago exclusively for us. Our sauce, dough and toppings are prepared fresh daily in our kitchen.

JJ Twig's is not a fast food restaurant. Our pizza and most items on the menu are prepared to order using only the freshest ingredients. Since we pride ourselves on satisfying our customers, we will never compromise our quality by taking short cuts to speed the process. We thank you in advance for your patience.

Cheers!
