## Message from the President

Hello to all:

What a nice Summer we had. I hope everyone enjoyed all the good weather. Speaking of the weather, what a beautiful day we had for our St. Joe's scholarship tournament and what a great success it was! I want to congratulate the new golf committee headed by Kori Phillips. The committee did an amazing job taking over for Gale and Craig Smith. In a short period of time, the committee worked tirelessly to put together, including; donations, sponsors and raffles prizes. I also want to thank all the people who volunteered to help make this tournament such a great time! I truly believe that this is your club and when we work together, great things happen!

We are all sad to hear that the Farmers Club closed. I can remember having many good times there! It will be missed by all.

I want to congratulate all our new members, we look forward to seeing you at the club. Each month the club has several events that come up and we would like to see you helping with these functions. Please remember that new members are required to help with 3 functions during your probationary period.

As you all know, our long-time friend and Vice President, Tom Griezka has resigned as VP and mover to sunny North Carolina to enjoy his retirement. Tom was an excellent VP, member and tireless worker at the club. I will and I know you will miss him a lot. We wish Tom and Linda all the best in their new adventures. With Tom's resignation, the Board of Directors met and elected our new Vice President, Janek Godamski. Congratulations to Janek and we look forward to working with him. Also, the Board of Directors would like to announce our new board members, Buddy Charboneau, Bill Grabek and welcome back Terry Dominic. Congratulations!

Lastly, I would like to wish everyone a safe and happy holiday season.

Frank Zeleznicky

## **A letter from Kori Phillips**

This year's scholarship fundraiser once again shows how our members come together to support each other and our community. Our success in raising \$7,611 was the result of close to thirty individuals volunteering their time and resources to make this event a success. Thank you to everyone who volunteered and to the golfers who played. We look forward to next year.
