SIBS ARE SPECIAL TOO!

A tele-group for kids ages 9-12, whose siblings have special needs

When your brother or sister has special needs, it can be tough. Meet other kids who understand, along with a psychologist. Share stories, laugh, cry, and strategize on ways to stay positive and supportive.

Starting July 13
visit www.bridgestherapy.com for registration details

* In network with most major insurance providers. Initial personal intake session required.
