Common Area & Pool Parking Lot Closings

APRIL 29, 2019 until Completion

AREA #12 – Closed for HOA Contracted Repair of Erosion & Path (by Ashton Manor)

Starting on APRIL 29, 2019 the Erosion/Storm Water Drainage Area will be CLOSED to all residents (see red highlighted area). This area includes the common area between the Pool & behind the townhouses on Melrose Square; including the PATH entrance off of Melrose Square Way and the path running down behind the Pool to the path intersection by the tennis courts. Additionally, please be aware that large vehicles and equipment will be using a portion of the pool parking lot to access Area #12 to stage and make repairs to this storm water erosion area and pathways.

NOTE: Due to large vehicle and equipment traffic part of the Pool Parking Lot will be closed and Residents should not park in the indicated area. Also, the pathway entrance on Melrose Square Way and path from Melrose Square Way to the path junction behind the pool will be closed and Residents should not use and/or enter the path during the construction project.
