

May 2022

Dear Friends and Partners,

Warm greetings and many blessings from Kraljevo. We are so happy that together with you we can make great advancements for the Kingdom in central Serbia and beyond.

Covid hit us, too

In January we were both covid positive. It was on the milder side, but we were in self isolation for two weeks. In February Sasha had another two weeks of coughing. That passed, too. Now we are all well. Thank God!

Margaret

Margaret came to us in the middle of February and spent here almost three months. We really enjoy having her and had a lots of fun together.

Lidija

Our Lidija is finishing her “A” levels in this month of May and at the beginning of June she will have her prom night. She is very excited about that.

In September Lidija will move to Manchester to start Audacious Bible College. She has God’s call on her life and would like to be trained theologically and practically so that she is able to return back and work for the Lord in central Serbia.

The fee for one year of studying is £1500 plus there is the cost of accommodation and living in Manchester. It’s a two year course.

Please pray for this and if God touches your heart to support her, that would be great and very helpful to us.

Preparation for Conference

We did some building and repair work outside in the garden and inside our church hall. We put in completely new PA system with new mixer. We would like our church building not just to be a blessing to our city and region, but to our whole country of Serbia being host for national conferences. What is missing now on our platform are drums. We would like to buy good electric drums for our church. Please pray for that.

Magnus

Pastor Magnus Edforss from Sweden came at the beginning of April and blessed us with his ministry and friendship. We as a family and church valued and really enjoyed our time with him. His message and ministry to the people was excellent.

AOG Bible College Students

In the last week of April we had AOG Missio Dei Bible College students from England on their mission here in Serbia. They were all a great blessing and help to us. Stephen Prosser, their team leader preached in our Easter service and many of the students shared their testimony or short word. They prayed for people afterwards. Together with us they witnessed and distributed evangelistic literature on the streets of Kraljevo, and we had prayer walks. They ministered in Pozarevac in eastern Serbia and helped us significantly with the Prayer Conference with many practical jobs. Their servant attitude was exceptional.

National Prayer Conference in our church

We were hosting National Prayer Conference on 30th April. It was the first national conference to be held in our church. The Prayer Conference was a full success. Almost two hundred people participated from the north to the south Serbia. There was an amazing spirit of unity between different denominations and powerful breakthrough anointing in praise and worship with the prophetic. We prayed against corona pandemic, for revival and for our nation to turn back to God. The atmosphere of the presence of God was so tangible. It was an amazing time of fellowship, too.

Balkan PEF Conference

At the beginning of May we went to Petrovac, on the Adriatic coast in Montenegro for the PEF (Pentecostal European Fellowship) Conference for leaders in the Balkan countries. It was wonderful to meet our brothers and sisters from different ex-Yugoslav nations and from Albania. PEF Chairman Pelle Hornmark was there and other leaders from

Sweden, also Kirk McAtear, head of World Missions (3D Missions) of the British AOG and Marek Kaminski from Poland. Sara had the honour to be a keynote speaker one evening.

Car

We are still in need to replace our over 20 yrs old car with younger and more reliable model for our ministry. It is not easy to find the right one for the right price. And now we have even increase of prices for second hand cars. So, please continue to pray that we will be able to find and purchase the right vehicle to be used for the advancement of the Kingdom of God in Serbia and across the Balkans.

Thank you

Thank you very much our dear friends and partners for all your prayers for us, for your encouragements and support, your love and generosity. All your generous gifts and regular monthly support help us tremendously to shine brightly the Light of the Gospel and reach central Serbia, this very unevangelised region of Balkan and Europe, for the Lord Jesus.

Yours in Christ,

Sasha & Sara
