## IMPORTANT REMINDER!

Your dancer needs to have a leotard and tights for class. Hair needs to be up and away from face. Appropriate attire is equivalent to having your trombone when you are a trombone player in the band. Dancing is easier with the right equipment!

## Halloween Parties

We will be having our Halloween parties the week of October 23rd. Your child can bring in treats if they want to, but they are not required to. If you choose to bring treats, please make sure you bring enough for everyone. Please stay away from anything with peanuts. Our policy is to let each student have one piece of candy during class and take the rest home. If you do not want your student to participate, please let us know ahead of time. Students can wear their Halloween costume during classes!

## Costume Payment due

The first payment for costumes is due the week of October 16<sup>th</sup>. This needs to be at least \$30 per dance your child will be performing in our annual recital. Preschool, Kindergarten, and Combo 1-3 will each perform 2 dances so 2 costumes will be purchased. If your dancer does Jazz also that would be a 3<sup>rd</sup> costume.

The total cost for the costumes is \$70 per dance. The final payment for costumes will be due the week of December 4<sup>th</sup> for \$40 per dance.

If you wish to make a payment before either of these dates, you are able to. Just make sure you let the desk staff know what you want it applied to.
