FEED THE HUNGRY Program

Blessings in the name of our Lord and Savior, Jesus Christ. I pray All is Well. As you know the holiday season is coming upon us and it is with great pleasure that I bring to you again this year, GFM's Feed The Hungry Program.

Since 1988, I have been spearheading our Feed The Hungry Program and each year we aim to be a blessing to more and more families in the community, but we cannot do it without the contributions of our friends, associates and family.

We are dedicated to helping our community and are asking that you join us in our campaign this year to take care of those who have fallen short and are in need of a helping hand. With every donation it helps us to do our part as community service providers to provide families with food baskets during the holiday season.

God's words says we must take care of the needy, "For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in." Matthew 25:35. Let us do our very best to be a blessing to those in need.

**In His Service,

Donation Letter

Dear Friends & Neighbors,
My name is _____. I am a member of **Greater Faith Ministries & Schools**, of Los Angeles, where Dr. Robert F. Robinson, Sr., serves as Pastor and Chairperson of our **"Feed The Hungry"** food drive.

Since 1988, we have engaged in an effort to feed families and individuals during the holiday season. Our goal this year is to feed several hundreds of families or as many families in need as we are blessed to feed.

With the holiday season rapidly approaching, we would like to start preparing for it today. As we begin our campaign, we are asking individuals, organizations, friends and families to join us in our efforts to make a difference to those in need during this holiday season.

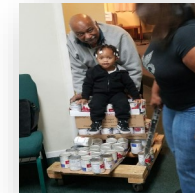

You may contribute according to the gift giving amount you desire.

Our Friends and Family

Our Friends and Family play a huge part in helping to facilitate our Feed The Hungry program. Volunteering your time is a great way to lend your support in addition to your financial contribution. Assembling

our "Baskets of Love" takes a team of individuals with a desire to lend a helping hand. We spend the day packaging the boxes and preparing them to insert the food items. With the multiple number of food items we put in our food baskets, we supply enough ingredients for our families to enjoy a good meal, with all the trimmings, and dessert, for several days during the Holiday season. If you would like to volunteer your support, contact us for details.

We accept donations all year round for this program, but our official launch is the first Sunday in **September** and will continue through the holiday season. Your monetary donations

are always welcome, and will be used to purchase the food items for the baskets, but if you would like to donate a food item as well, you may check with our Church Administrator for acceptable items to donate and quantities needed. The baskets are distributed on the Saturday, before Christmas Day. If you are the recipient of a basket, you must come to the church to pick up your basket on this day. (*See reverse of side of this pamphlet for pick-up date*). In an effort to serve as many families as we can with a holiday blessing, our basket distribution is limited to one Basket of Love per household.
