

- 90 Marathons In 90 Days -

Info@BoxRun.org

The BoxRun mission is to raise funds through an annual run within Canada and place those funds directly with established cancer researchers who are focused on cutting edge research that can help us knock out childhood cancer.

We are currently reviewing suitable research partners to donate the pending proceeds to and we will announce these partners prior to the beginning of the BoxRun. So, check back with us soon.

Sincerely, Mike Strange
