

7/9/18 meeting

Minutes for June read and accepted with one change, the R.C. report on the number of people at the field meet should have read, Last I heard there were 150 pre sold tickets turned in at the field meet, I believe many more than THAT were there.

R.C. report

Region 12 is requesting pictures for a calendar they are putting out in November.

The OHSA is putting out TV ads and billboards called Fallen Brothers, to bring awareness of riding and alcohol.

Made report on the BoD meeting.

Treasure report

Report given and accepted.

Products report

We sold 7 Look Twice signs and 10 Raffle tickets at the Full Throttle Awareness rally. We have one sign left.

Road Captain report

Region 5 has a new campground across from Hot Rod Harley, members have some questions. I will try to get more information.

Legislative report

Increased handlebar height has been made law, from what I understand you can now have 30 inches above the seat. Thank you ABATE for making this happen.

Megan from the MRF took part on a panel at a meeting of the American Petroleum Institute to voice motorcyclist concerns on ethanol and REF reform. MRF was the only motorcycle and consumer group on the panel.

MRF is also working with the Congressional Motorcycle Caucus and the Congressional Boating Caucus to put on a joint briefing on ethanol for elected officials and staff. They hope to get support for HB 5855, the Consumer Protection and Fuel Transparency Act of 2018.

New Business

Do we want to Put a table at the Stockbridge rally, it is in our region.

We need more information. To be decided at the next meeting.

Meeting closed.

Ride Safe, Ride Free, enjoy the weather while you can.

Nick

Region 9 R.C.
