

# Grain Bag Recycling

## FREE GRAIN BAG RECYCLING AT THE CITY OF YORKTON LANDFILL

*You can now take your clean, rolled grain bags free of charge to the City of Yorkton sanitary landfill.*

**Follow these simple steps to ensure that your plastics are accepted and can be recycled:**

1. **Shake:** Shake to remove as much debris as possible. Grain bags should be kept as clean as possible, with extra care taken to remove as much organic material (spoilage, dirt, etc.) before or during rolling. Excessively dirty or loose/unrolled bags will be rejected. Rejected bags will be subjected to a landfill tipping fee.
2. **Roll:** Roll grain bags and tie securely with twine.
3. **Deliver:** Deliver the rolled grain bags to the City of Yorkton sanitary landfill during regular hours. Please contact the landfill at **306.786.7499** prior to delivering your rolled grain bags.
