

### **REFLECTION for the 29th Sunday in Ordinary Time**

Do we consider ourselves to be missionaries?

Well Jesus does; He calls, even challenges, us to go out into the world and spread the Good News. We are to be joy-filled and loving so as to spread joy and love; no grim crabby faces, only smiling welcoming ones.

Many people today can give us all kinds of reasons why they have fallen away from the Church and the practice of their faith.

In today's Gospel Jesus tells us that we are to give to God the things that are God's. You, I, and all our friends and neighbours, are the things of God.

Let's give ourselves to God and be the light for others and bring them back to God. *Fr. Don*

### **WORLD MISSION SUNDAY**

is celebrated on the next-to-last Sunday in October. On this day we are called to offer our prayers and generous financial support, through the Propagation of the Faith, for the worldwide mission of Jesus. Your prayers and donations will help support churches, hospitals, schools and vocations in countries where the Church is beginning, where it is new. We would encourage you to be as generous as possible in your support of the Church's missionary work.
