May/June Newsletter

Life seems to get a little slower as we move into Summer. Fewer planned activities with dogs and more opportunity to play. I put in some ponds last Fall and my dogs seem to think that they are solely for them. Naturally some frogs have also discovered the ponds, so we have quite a ballet of dogs and frogs leaping about. After all the pollywogs I see in there turn to frogs, it should get even more chaotic!

We were all disappointed by the cancellation of the Hunt Tests in April. Unfortunately that was beyond our control. Hopefully the fields will be dry in the Fall and we will be able to have a well attended event. In any case, it is always a good time. Blue Seal has been marvelously supportive and has held their sponsorship through to the Fall Hunt Test. We really appreciate their interest and support.

We would like to send out newsletters by email, but recognize that not everyone would like them that way. Please let us know if you would like to continue to receive a hardcopy newsletter by contacting either Pat or Deb. If not, if we have an email address for you we will send it to you that way next time.

The next meeting will be at Peg and Lou Gagnon's on July 15th at 2PM. Hope to see you there.

MINUTES OF THE MEETING

The Annual Meeting of the Katahdin German Shorthaired Pointer Club of Greater Portland was held on Sunday May 27, 2007 at the home of Pat Russell. In attendance were Tom Dwyer, Peg Gagnon, Lou Gagnon, Fred Newcomb, Lynn Milewski and Pat Russell. The meeting commenced at 2:35 PM.

President's Report: The minutes of the last meeting were accepted as printed in the last newsletter. Pat expressed her disappointment that the Spring Hunt Test had to be cancelled. She had received a large number of entries and hopes that all those who hoped to attend the Spring test will come to our Fall test. She thanked all those who had volunteered to help at the test – without volunteers we can't make our events a success.

Secretary's Report: Our new Secretary, John Manni, was unable to attend. Pat reported on the final dues received for the year. Anyone who has not sent in their dues is unfortunately no longer a club member.

Treasurer's Report: Steve was unable to attend, so the Treasurer's report was tabled until the next meeting.

Election of New Members: No new applications were received since the last meeting.

Show Committee: A discussion was held about the Boston show versus the Fitchburg show. Fitchburg is sporting dogs only, has more room and

individuals don't incur the high costs they have when attending the Boston show. Lynn Milewski very generously offered to make a quilt for one of our future raffles. It will be a marvelous addition and should draw a lot of interest. We will be collaborating with Granite State GSPC on June with the Match with the Carroll County Club, and also doing a show with Carroll County in September.

Hunt Test Committee: The tests scheduled for April 28 and 29 were cancelled by HELDCA due to high water. Pat has spoken with our sponsor, Blue Seal, and they are willing to wait and sponsor the Fall test. We sincerely appreciate their patience and generosity. A discussion took place of choosing dates for the Spring hunt test next year, since we have been rained out twice recently. When it gets closer to choosing dates we will have further discussion. There is a lot of interest in holding the AKC Hunt Test seminar – we need to schedule a time.

Team Shoot: We do not have a report yet, but apparently was a great success.

Club Championship: The Club Championship will be held August 25th.

Training Days: All agree that we want to have more of them.

Rescue: Nothing new to report.

Old Business: Alison found the missing banner! We don't have a report yet on its condition.

New Business: None

The next meeting will be held at 2:00pm July 15th at Peg and Lou Gagnon's house. The meeting adjourned at 3:45pm.

Respectfully Submitted,
Pat Russell, Acting Secretary

A TRAINING TIP

THE ROLLED UP NEWSLETTER:

A rolled -up newspaper can be an effective training tool when used properly. For example, use the rolled up newspaper if your dog chews something or has a housebreaking accident. It should be employed only when you can not correct the dog with proper timing ...because YOU were not supervising him. Take the rolled-up newspaper and hit YOURSELF on the head six times, as you repeat the phrase, "I forgot to watch my dog. I forgot to watch my dog." Be consistent with this technique. After several corrections you will become conditioned to watch your dog.

This is the only time a rolled-up newspaper should be used in training. If your dog laughs at you when you do this, praise him.

BRAGS

I do have to brag about Birdlands Sweet Lilia of the Valley. Her dad is Birdlands Rudy of the Valley and mom is Millbrooks Sweet Georgia Brown. She is an awesome pup that is now training for the show ring. Lilia is doing well and is learning quickly. She is full of sweetness and very loving. First show will be September in No. Conway.
