

The Cathedral Area Preservation Association (CAPA)

Founded in 1981, CAPA was formed by concerned neighbors who joined together to preserve and protect the future of their historic neighborhood from deterioration and decline.

As CAPA has grown, its purpose has evolved to encompass a broad range of new causes and concerns.

Though zoning remains a strong focus of the Association, its mission promises a dedication to the preservation, maintenance, beautification, and promotion of the Cathedral Area neighborhood. CAPA strives to develop a prosperous community through historic preservation, education, and the promotion of respect for old houses.

Ultimately, CAPA simply aspires to uphold its neighborhood in the style and spirit in which it was built.

Volunteer

Become a volunteer tour guide for This Olde Housewalk. You can enjoy our Pre-Party on Saturday night and then view the homes afterwards for free. Work from a prepared script at one of the homes throughout the day of the walk, then enjoy the After-Party.

If you are interested in more information about volunteering, please contact Kathy Nassios at 815-409-7175 or withak29@aol.com.

Porch Lunches

Compliment your Housewalk experience by purchasing a Porch Lunch. Your lunch will be served on the porch of one of the lovely homes in the CAPA area (not homes on the walk).

The cost for a Porch Lunch is \$12.50 and includes an entrée, drinks and dessert. Enjoy this catered experience with a homemade feel.

**Deadline to order lunch is
August 30th**

Please contact Denise Powers at 815-723-7603 for more information.

Community

The proceeds of the Housewalk benefit CAPA activities, projects and scholarships. A portion of the 2014 Housewalk proceeds were donated to the Joliet Park District to purchase new playground equipment for Preservation Park next to Farragut School. This year we are partnering with the St. John the Baptist Church to raise funds for their Food pantry that serves the 60435 area.

Your participation will have a positive effect on the entire Joliet community. We hope you will consider helping us make the 2016 walk a big success.
