Medal Outlook

Boyertown is a great squad up and down the lineup and have medal ability at almost all weights. If World Silver Medalist **Jordan Wood** returns to compete at ETR, he will be a prohibitive favorite in a weight class that features 4 nationally ranked competitors. **Greg Harvey** and **Jakob Campbell** will be highly seeded and solid favorites to make the stand. **Lucas Miller** is under consideration to be seeded in the deepest weight class of the tournament. **Garrett Mauger** is also under consideration and could battle for a medal. Sophomores **David Campbell, Chris Berry & JT Cooley** do not project to be seeded but have the ability to surprise. Upperweights **William Scholl, Brody O'Connell & Tommy Killoran** will compete in wide open weight classes and could contend.
