Volume #1 Published Monthly

From the President's desk, June 2015,

Lots of things here, so I'll get right to it:

Election results: Congratulations to incoming President-Howard Thompson, 1<sup>st</sup> VP-Gary Swope (me), 2<sup>nd</sup> VP-George Furhman, Recording Secretary-Bill Stone, Corresponding Secretary-Lisa Furhman, Treasurer-Cindy Ness, Assistant Treasurer-Lee Hankey, State Director-Dan Blair, and new board members Kevin Downing, Buddy Knight, Greg Senft and John Ziegler. Please give them the support and scrutiny you have given me, and it will be another good year.

Last Saturday, the 30<sup>th</sup> of May was the annual Youth Field Day. It was a resounding success, and I hear that we had the max of 200 kids. I thank all who made this event possible. If you have not been a part of this, please consider it for next year, you will be paid in more kid smiles than you can bank! Go to <https://www.facebook.com/pages/Izaak-Walton-League-Chapter-67-York-PA/177520232325347?ref=profile> for a comment from a happy customer!

We had a successful work afternoon, Sunday the 31<sup>st</sup> of May. Many thanks to the folks who helped to clear the archery trail, spread mulch under the trees by the road and pitched in at the pheasant project. The next one is the morning of Saturday June 20<sup>th</sup>, from 8am until noonish or earlier. These short duration efforts are really paying off.

The annual memorial for members who have passed in the previous year, will be at 6pm June 16<sup>th</sup>, right before the open meeting. We will meet at the memorial for a short ceremony. If it is raining we will meet in the clubhouse.

At the election last month, the latest revisions to our By-Laws and Constitution were voted on and accepted by the members present. I would like to once again thank the committee, headed by Dave Williams, who put heart and soul into this project, and consisting of myself, Tom Kornbau, Phil Baker, and John Ziegler, with input from several others, for their work. A copy is attached to this newsletter (electronic version only), and will soon be published on the website. As soon as I can get new Green Books printed, they will be available at the clubhouse during meetings, work days, and any other event where the building is open. Please drop by and get a copy.

Starting July 1<sup>st</sup>, our newly appointed predatory officer, Scott, will be catching as many snapping turtles as he can from the pond. His lines will be clearly marked with his name and number. Please do not disturb them or add your own. Scott is the only person authorized to catch turtles on our pond. All other fishing rules are as they always were, consult the sign on the pond bank for further detail.

Lastly, all ranges will be closed Friday June 12<sup>th</sup> from about noon, until Sunday June 14<sup>th</sup> about 5pm for our annual multigun match. Also, the 50 yard range will be closed on June 20<sup>th</sup> from noon until 4pm for a junior's event.

As always, if there is anything on your mind, good or bad, please feel free to reach out to me.

**Juniors:** At the last open meeting we received our new bee hives. The hives were donated by Larry from HipBees in Dallastown. These are local bees. If you need supplies for your bee hives be sure to give Larry a call. Juniors who are interested in attending Conservation Camp, please let me know so we can get an application to you. This does take a bit of planning so it is important to let me know by the June open meeting if you want to go so we can plan accordingly. Our June camping trip is coming up soon too on June 20<sup>th</sup>. We plan on holding a first Juniors Challenge in which the Juniors compete against each other for prizes. We hope to have a .22 shoot, archery shoot, and a fishing competition. Start practicing now to make sure you're ready! We should have prizes for both boys and girls for age groups (8-12 and 13+) and overall champion. We will have a sign up at our meeting for those who wish to attend.

**Ranges:** Just a reminder that the rifle and pistol ranges will be closed from 12:00 pm Friday, June 12th until around 5:00 pm Sunday, June 14th for the Mid-Atlantic Multi-Gun Championship. This is a spectator sport, and it is free to watch. Some of the best 3 gun shooters in the country will be shooting Saturday and Sunday. Bring your eye and ear protection and come see what this exciting sport is all about.

**IWLA Family Picnic:** the family picnic is Sunday, August 30<sup>th</sup>. Put this date on your calendar now. We really want you and your family to come. This year we're even telling you to bring your friends and neighbors, particularly if they might be interested in becoming members, but that's not a requirement. Watch for more details about this event in the next newsletter. I've got some interesting ideas on how to spice up this affair but I'm looking for more. Please call 717/993-9203 or email [hkbrt@verizon.net](mailto:hkbrt@verizon.net) and tell me what it would take to get you to come this year. Thanks, Howard.

**York County Federation of Sportsmen Clubs:** Veteran shoot will be held on July 11, 2015 at Starview Sportsmen Club. If you are a veteran and interested in participating or anyone who is interested in volunteering to help, contact Phil Baker 717/266-5987.

**Youth Field Day:** On Saturday, May 30<sup>th</sup> the annual youth field day was held on the IWLA grounds. This was the 20<sup>th</sup> year for this event! It was hot but nobody complained as they all had a great time. We had 187 youth enjoy the events. If you were never at this event, you are missing something! A big thank you goes out to all who helped make this a great day. We all hope Mr. Robert Hilker's health improves and will be with us soon.

**Kid's Fishing Derby:** was held on Saturday, May 9<sup>th</sup>. Some huge trout were taken out of the stream! This kiddo caught a 14 1/2" golden rainbow trout and won a trophy! There were lots of smiling faces that day.

**Welcome New Members:** Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
